Social Studies/Science: Our unit this week is on "Our Five Senses." We will discuss what our five senses are, how our body uses them, and how they all work together.

Special notices

Thanks to all the parents that attended parent teacher conferences. We are having a great week. Please read your child's library books to them. We are having a lot of children without books. Don't forget to study for the spelling test tomorrow. Mrs. Holister's class is completely out of snacks. Have a great weekend!
