National Paraeducator Day is this Wednesday, April 5, 2023!

Please join me in thanking our paraeducators at Port Huron Schools. They are critical to the support of our students and staff, and we appreciate all they do every day!

ADVOCATOR, INNOVATOR, AND EDUCATOR OF THE YEAR

This week, Port Huron Schools begins its ninth annual "**Advocator, Innovator and Educator of the Year**" campaign. Nominations for exemplary employees in our district can be made through [the form on the PHS website](#).

We encourage students, parents, colleagues in education and community members to nominate someone in the Port Huron Schools who is making a significant impact in the areas of advocating, innovating or educating. From paraprofessionals to teachers, custodians to administrators, and secretaries to service personnel and more, there are many employees deserving of this affirmation and recognition of their hard work and positive impact on students and families.

The deadline for all nominations is **Friday, April 28**; awards will be announced on Thursday morning, May 11, during National Teacher Appreciation Week.

Our elementary schools all celebrated March Is Reading Month in many ways. At [Roosevelt Elementary](#), the students reached their reading goal of 1,000 hours of reading! Their reward - being able to give Principal Hazely a pie in the face ... 26 pies, in fact! Congratulations, Little Reds! **A special shout out to Mrs. Fogal's kindergarten class, who earned a pizza party for reading the most hours.** More photos of this special day can be found on [the Roosevelt Elementary Facebook page](#).

The PHN Marching Band spent their spring break at Disney World/Universal Studios in Orlando, Florida where they represented Port Huron Schools and Port Huron Northern in their parade march at the Magic Kingdom on Wednesday, March 29.

When not performing, band members enjoyed Epcot, the Magic Kingdom, Hollywood Studios and Universal Studios.

Students at [Holland Woods Middle School](#) celebrated [World Down Syndrome Day](#) by wearing brightly colored, mismatched socks. March 21 is symbolic because people with Down Syndrome have 3 copies of their 21st chromosome. Socks were chosen because the karyotype of Ds chromosomes actually looks like mismatched socks. More photos of this observance can be seen on [the HWMS Facebook page](#).

Thursday, March 23 was National Puppy Day.

Students at [Michigamme Elementary](#) celebrated by reading to the **Blue Water Therapy Dogs**. We are grateful for the work of [Blue Water Love on a Leash](#) in our schools throughout the District.

On Thurs., Mar. 23, [Roosevelt Elementary School](#) hosted a **Family Literacy Night** sponsored by Title 1. More photos of this event can be seen on [the Roosevelt Facebook page](#).

A great addition to the Literacy Night were the [14 science experiments and projects](#) that were created at home and shared during the event!
