

6th Grade General Music Class
Course Syllabus

Ms. Beth Kutzner

Course Description: 6th grade general music is designed to give students the opportunity to experience music in many different ways. This will include but not be limited to basic musical concepts, instruments of the orchestra, singing, recorder, composers, and musical theatre.

Course Objectives and Goals: We will learn about music through participation. Students will learn through singing, listening, evaluating, moving, performing, creating, and reading various kinds of musical literature.

Grading: Students will receive grades based upon subjects studied in class.

Tests/Homework-Evaluations will consist of listening, written and performance tests. Homework points will vary; points will be subtracted for work that is submitted late.

Needs: Pencil, somewhere to store class papers

Class Expectations/Rules

Students are expected to come to class prepared learn and participate.

Do not touch any equipment in the room unless you have been given permission.

All school rules apply, as do good manners.

If classroom rules are broken repeatedly or work is suffering, parents will be notified and extra assignments or detentions maybe given.
