Christian Climate Observers Program 2023: Applicant Reference Information

About the Christian Climate Observers Program
We are a non-denominational Christian presence advocating for God's creation at the COP28 climate summit in Dubai, United Arab Emirates, November 30 - December 12, 2023. We are training the next generation of UN climate observers from a Christian and missional perspective.
Christian Climate Observers Program applications are not considered complete until a reference letter is received. Applicants have been asked to provide a reference letter from a non-related adult who has first-hand knowledge of their engagement with climate-related activities.

Reference letters should address the following:

1. Your relationship to the applicant
2. The vitality of the applicant's Christian faith
3. The character traits that make the applicant a strong candidate for the CCOP program
4. The applicant's commitment to end the climate crisis
5. The applicant's interpersonal skills and ability to get along with others

When complete, please send the letter directly to: samuel.chiu@arocha.org **no later than July 14, 2023**, 23:59 PDT.
