

Resumir un text narratiu en vuit vinyetes, ajudar-se amb un suport escrit.

The diagram is a template for summarizing a narrative text into eight vignettes. It features two rows of four empty circles each. The top row has arrows pointing from left to right between the circles, and the bottom row has arrows pointing from right to left. A large, light gray curved arrow on the right side connects the two rows, indicating a continuous flow. Below each row of circles are four horizontal lines for writing notes or descriptions.
