This workshop is for our District Committee chairpersons and GSRs and all their alternates. This workshop has been scheduled for over six weeks. Everyone on the District committee that has a position & all GSRs should be in attendance. This workshop should be supported by our District committees. It is a District event. The 2nd panel topic will be 11th Step Meditation which will be presented by District 70 Treasurer, Andrea H.

DCM: I do not have much to report. Things in the district seems to be going smooth. I encourage all our committee members and GSRs to grab your friends and sponsees and attend the workshop on Saturday at the Alano club. Thank you for everyone who attended our picnic. Attendance was a bit light ,but it was the first one in a long time and I have faith we will continue to grow.

Alternate DCM: This month I attended the fall assembly. There was a vote on making changes to the founder's writing. The motion called for world unanimity and the vote did not pass. There needs to be more attendance at the assemblies. I will be attending the committee meeting on Oct 19th in Elburn Illinois to set the winter assembly agenda.
