TO: School District Superintendents  
School District Special Education Directors  
Charter School Chief Executive Officers  
Charter School Special Education Directors  
Intermediate Unit Executive Directors  
Intermediate Unit Special Education Directors

FROM: Carole L. Clancy, Director  
Bureau of Special Education

SUBJECT: 2021-22 Special Education Compliance Monitoring Schedule

The Pennsylvania Department of Education (PDE) has the responsibility to ensure that all local educational agencies (LEAs) providing services, whether directly or by contractual arrangements, administer special education services and programs that are compliant with applicable state and federal laws and regulations. In order to fulfill this responsibility, PDE has established administrative procedures for monitoring program implementation, including evaluating the appropriateness, effectiveness, and accountability of special education services and programs.

PDE has developed the schedule for compliance monitoring for the 2021-22 school year in which 116 school districts and charter schools of varying size across the commonwealth will be monitored. The list of selected LEAs is included at the end of this Penn Link. Additional monitoring reviews, if deemed appropriate, may be designated as the school year progresses.

For the 2021-22 school year, the Cyclical Monitoring for Continuous Improvement (CMCI) process will be a hybrid of virtual and onsite reviews. Verification activities include digital and onsite review of student documents; studies of service delivery; and analysis of policies, procedures, and outcomes. This hybrid CMCI process will include:

- Virtual Reviews
  - Facilitated Self-Assessment submitted by the LEA, and verification of the information reported in the Facilitated Self-Assessment.
  - Administrative and Exit Interviews
  - Parent and Teacher Interviews
- On-Site Reviews
  - Student Sample File Review
  - Classroom Observations

Personnel from school districts, charter schools, and intermediate units who will be monitored are required to participate in the web-based monitoring training modules to familiarize themselves with the monitoring instrument and web-based process. District superintendents, charter school chief executive officers, special education directors, and additional appropriate personnel should view the web-based monitoring training. This training will review the virtual monitoring process; Facilitated Self-Assessment submission; documents to be submitted; and provide resources to assist LEA personnel to prepare for the monitoring process.

**The web-based training modules will be available on the PaTTAN website and Leader Services website in July. LEAs must complete the trainings by September 10, 2021, and report to the chairperson the date all relevant personnel completed the training.**

Thank you in advance for your cooperation in complying with this federally mandated requirement. PDE recognizes the time and effort required on behalf of each LEA to successfully participate in these monitorings. Should you have any questions regarding the 2021-22 monitoring schedule included below, please contact Kelli Franklin at [kfranklin@pa.gov](mailto:kfranklin@pa.gov).
