

Club SJ 4ALL Permission Slip

Thank you for showing interest in joining our Social Justice club at MMS. You will have some fun, meet new friends, problem-solve, and contribute to ideas for improving our school.

Club members should be willing to help enhance our school climate by learning about and respecting others who represent diverse social identities such as: race and ethnicity, gender identity/expression, sexual orientation, social or economic class, religions, neurodiversity, home language, and body type.

Students should be prepared to listen to others, to ask questions, and to participate in conversations and activities to the best of their abilities. This may involve cooperating with other students as well as teachers. We hope that this will be a positive growth experience for all. If you have questions or concerns, contact Ms. Addie at adeline.alderink@elps.us
