

Privacy Policy for Introvert Social Battery

Effective date: [02/20/2024]

We operate the Introvert Social Battery mobile application (hereinafter referred to as the "Service").

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data. By using the Service, you agree to the collection and use of information in accordance with this policy.

Information Collection and Use

We currently do not collect any personal data with our Service. However, we plan to implement advertisements in the future, which may involve the collection of certain types of information to provide targeted ads and improve the advertising experience.

Types of Data Not Collected

Personal Data: We do not currently collect personally identifiable information from our users. However, this may change with the introduction of advertisements.

Usage Data: We do not currently collect data related to the access and use of the Service. This may change to improve the relevance of ads shown.

Tracking & Cookies Data: We do not currently use cookies or similar tracking technologies to monitor the activity on our Service. This may change to enhance ad targeting and user experience.

Use of Data

The creators of this service do not currently collect or use data for any purpose, as no personal data is collected. With the future addition of advertisements, data usage will be updated to reflect the requirements of ad delivery and targeting.

Transfer of Data

Your information, including Personal Data, is not currently collected, stored, or transferred to any location since we do not collect personal data. This policy will be updated to reflect any changes related to ad integrations.

Disclosure of Data

Legal Requirements: We, the creators of the Service, will not disclose your data as we do not currently collect it. Future updates regarding advertisement integration will include detailed information on any potential data disclosures.

Security of Data

The security of your data is important to us. While we currently do not collect personal data, we strive to use commercially acceptable means to protect any future data we may collect. We cannot guarantee its absolute security but will inform users of the measures taken to protect their data.

Service Providers

We currently do not employ third-party companies and individuals due to the nature of our Service not collecting any personal data. This may change with the introduction of advertisements, and we will update our policy accordingly to reflect the roles of any third-party service providers.

Advertisements

In the future, we plan to introduce advertisements to our Service. This may involve the collection and use of certain data to provide personalized ad experiences. We will update this policy with more detailed information on how data is collected, used, and protected in the context of advertisements.

Links to Other Sites

Our Service may contain links to other sites that are not operated by us. If you click on a third-party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.

Children's Privacy

Our Service does not address anyone under the age of 18 ("Children"). We do not knowingly collect personally identifiable information from anyone under the age of 18. This section will be updated to reflect any changes in our practices related to advertisements and children's privacy.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
