- **Jay-r G. Vildac, DBA** - Director for Finance Management Services

The session began with the adoption of a provisional agenda that incorporated additional items concerning legal matters and staff privileges. President Pimentel presented a quarterly progress report highlighting a total student enrollment of 20,015 and strong performance in licensure examinations for teachers, nurses, and accountants. He also reported on the university's continued inclusion in the 1,501+ bracket of the Times Higher Education Impact Rankings and the formalization of new international academic collaborations in Malaysia and Indonesia. Chairperson Apag emphasized the importance of Education 4.0 and urged the university to prioritize program compliance to meet upcoming national deadlines.

Significant institutional decisions were made during the meeting, including the approval of the Bachelor of Science in Economics program and the revision of On-the-Job Training hours for the Bachelor of Public Administration from 200 to 500 hours. The Board also approved several administrative policies, such as a new housing policy for employees, guidelines for the disposal of unserviceable properties, and
