**Guidelines For School Cancellations**

- If school is cancelled during the first semester, all dates will remain unchanged for the first semester.
- If school is cancelled during the 3<sup>rd</sup> quarter and school days will have to be made up at the end of the year, then the 3<sup>rd</sup> quarter end date and grading due date will be pushed back for each cancelled day. If the cancelled days are AMI days or if the days are otherwise not required to be made up, then the 3<sup>rd</sup> quarter end date and grading due date will remain unchanged.
- Gradebook open dates will remain unchanged unless a school cancellation occurs directly on that date. If school is cancelled on a gradebook open date, then the date will be moved back to match the number of days cancelled.
- ELEMENTARY ONLY - If snow make-up days are added to the end of the school year, then the Parent Portal open date will be pushed back 1 day for each day added to the end of the year.
- SECONDARY ONLY - School cancellations that impact final exams will be handled on a case-by-case basis.
- LAST DAY FOR SENIORS – The last day for seniors may be pushed back to reflect snow days, even if the last day is not pushed back for grades K-11.
