

Memorial Activities and Clubs 2018-2019

We know that the more kids participate in extracurriculars, the more connected they feel to school, and the better they do academically and socially. In addition to seasonal sports opportunities, Memorial Middle School offers a variety of after school enrichment activities. Whatever your interests, chances are you can find a group or club to share them with. Below are our current offerings for the 2018-2019 school year. If you need more information, please contact Mr. Schuft.

Don't see something you like? We're always seeking ideas from parents and students about ways to connect students with school and with each other.

Thank you and GO WILDCATS!
