- **SHS Writing Center:** [click here](#)

At the SHS Writing Center, we believe that EVERYONE is a writer. Everyone has a story or a message to share, and your words matter to us. Our mission is to promote positive change and growth within our community through writing. Regardless of proficiency or skill, YOU are welcome here. Our Writing Center consultants are equity-driven and eager to offer you quality feedback on your writing--and it doesn't have to be an assignment for a class. Bring us your essays and your lab reports, *as well as* your poems, short stories, and college essays.

- **SHS Math Club Tutoring:** [click here](#)

Free math tutors for any level of math! You got a problem? Let us help you solve it.
