

Helping Hand Automation for Tire & Auto Repair Shops

Tired of Missed Appointments, Slow Follow-Ups, and Unpaid Invoices?

Helping Hand Automation helps tire and auto repair shops **book more customers, reduce no-shows, and increase repeat business—without extra staff.**

How It Works: Automate Your Shop & Keep Customers Coming Back

1 Automated Appointment Scheduling & Reminders

- ♦ Customers book oil changes, tire replacements, and repairs online—**no phone calls needed.**
- ♦ AI-powered reminders via **text & email** reduce **missed appointments by up to 40%.**
- ♦ Last-minute cancellations? **Automated waitlists** fill open slots instantly.

✓ *More booked jobs, fewer empty bays.*

2 Customer Follow-Ups & Retention

- ♦ **Automated maintenance reminders** for oil changes, tire rotations, and inspections.
- ♦ Follow-ups after service to schedule next appointments.
- ♦ Birthday and holiday discounts to bring back customers.

✓ *Turn one-time customers into repeat business!*

3 AI-Powered Two-Way SMS & Chatbots

- ♦ Customers text your shop and get **instant answers**—without tying up your team.
- ♦ AI chatbots handle FAQs: *"How much is a tire alignment?" "Do you offer financing?"*
- ♦ Reduce phone hold times and increase customer satisfaction.

✓ *Faster responses mean more customers choosing you over competitors.*

4 Automated Invoices & Payment Reminders

- ♦ Send **payment links via text/email** for quick and easy checkout.
- ♦ Reduce unpaid invoices with **automated follow-ups**.
- ♦ Offer financing options and automated payment plans.

✓ *Get paid faster and improve your cash flow.*

5 Reputation & Review Management

- ♦ **Auto-send Google & Yelp review requests** after each visit.
- ♦ Address negative feedback before it gets posted publicly.
- ♦ Track and improve your online ratings effortlessly.

✓ *More 5-star reviews = More customers choosing your shop!*
