First Day of Try-Outs: Wednesday, August 13 - **Boys 2:30 – 3:30** - Girls from 3:30 – 4:00

Being that our first day is on the driving range, our time will be limited. Therefore, I will be testing everyone on various parts of your golf game. I will be testing the following skills: putting, chipping, long irons, short irons, and then the driver. Please be on time - I am starting with testing at 2:30!

Second Day of Try-Outs: Thursday, August 14th @ 3:00

Boys: 3:00 - 4:00

Girls: 4:00 - 4:30

Range practice and short game test.

Third Day of Try-Outs: Tuesday, August 19th @ 3:00

Participants will be paired up in foursomes, where they are to keep each other's scores. Players are required to follow all PGA rules during their 9-hole match.

Golf Practices and Schedule

All practices once school starts will begin at 3:00 - 4:30 at Cattails' driving range. You must arrange your transportation to and from all practices and golf matches. Practice on the range is typically 45 minutes. If you have an early practice time, you can stay and practice putting after, and if you have a later practice time, you can show up early and practice your short game.

Golf Schedule - TBA

Future and Other Interests

- Golf Shirts
- Golf Balls – Taylormade
- Put-A-Thon
 - Have to make x amount of putts from a certain distance.
 - It will be done on a Friday.

Other Considerations:

We are guests at Cattail Creek Country Club. We are not ALLOWED to practice there on the weekends or days I am not there. Our goal is to leave the course in better shape than we found it. You will be responsible for ALL ball marks you and others make, as well as wearing proper attire.

You will only be given three days to try out. If you miss a tryout date, you will be evaluated on the remaining days you are here.

Our goal is to make it to the state tournament. I would like to send the team there! See everyone in August, make sure you have all of the paperwork online.
