Here are the 10 FAQs with their answers for Sarwagya Patwa's AI chatbot social media automation service:

1. Q: What exactly is AI chatbot social media automation?

A: It's a smart system that uses artificial intelligence to manage your social media interactions automatically. Our chatbots can respond to messages, comments, and inquiries on your behalf, 24/7, freeing up your time to focus on coaching.

2. Q: How can AI chatbots help grow my coaching business on social media?

A: Our AI chatbots can engage with potential clients instantly, qualify leads, schedule appointments, and provide information about your services. This constant engagement can significantly increase your conversion rates and client base.

3. Q: Will using chatbots make my social media presence feel impersonal?

A: Not at all. Our AI chatbots are designed to mimic your unique coaching style and brand voice. They provide personalized responses based on user interactions, ensuring a human-like experience for your followers.

4. Q: What social media platforms does your AI chatbot service work with?

A: Our service currently supports Instagram, Facebook, and Messenger - the platforms most coaches use to connect with potential clients.

5. Q: How much time can I expect to save by using your automation tools?

A: On average, our clients report saving 15-20 hours per week on social media management. This allows them to focus more on high-value activities like one-on-one coaching sessions.

6. Q: Do I need technical skills to set up and use the AI chatbots?

A: No technical expertise is required. We provide a user-friendly interface and full support to get you set up. Plus, we offer training to help you make the most of the system.

7. Q: How do the chatbots handle complex inquiries from potential clients?

A: Our AI is trained to handle a wide range of queries. For complex issues, the chatbot can seamlessly transfer the conversation to you or your team, ensuring no important leads slip through the cracks.

8. Q: Can the AI chatbots be customized to match my brand voice and coaching style?

A: Absolutely! We work closely with you to understand your brand and coaching approach. The AI is then tailored to reflect your unique style in all interactions.

9. Q: What kind of results can I expect in terms of lead generation and conversions?

A: While results can vary, our clients typically see a 30-50% increase in qualified leads and a 20-30% boost in conversion rates within the first three months of implementation.

10. Q: How does pricing work for your AI chatbot social media automation service?

A: We offer flexible pricing plans based on your needs and the scale of your coaching business.
