18. Digital Storytelling QUEST #1: Process

As you go through the Quest, you will need to check off each step as you complete it. You will have the opportunity to learn about the following as well as be able to:

- understand that creating a digital story is a process with several steps
- analyze stories and identify different elements

Check off	Description
	Watched the introductory video from YouTube
	Read the Introduction, Key Vocabulary and I Can Statements
	Took the Quizlet Key Vocabulary Quiz
	Watched 7 Elements in 4 Minutes
	Turned and talked to a neighbor about the information in the video
	Opened the Storytelling Examples Analysis Chart (Google doc) and enter the title of the video I selected into the Personal Narrative column
	Previewed the Guiding Questions for Analysis
	Viewed the personal narrative I selected
	Reflected on the personal narrative, and if working in a group: turned and talked about the personal narrative with my small group

	Recorded my thoughts to the guiding questions in the appropriate column
	Chose a content area story to view and analyze.
	Viewed the content area story I selected.
	Entered the title of the video I selected into the Content Area Stories column in the Storytelling Examples Analysis Chart.
	Reflected on the story, shared my thoughts with another, or turned and talked about the content area story with my small group
	Recorded my thoughts to the guiding questions in the appropriate column
	Looked at the Human Interest examples
	Reflected on the story selected, shared my thoughts with another, or turned and talked about the content area story with my small group
	Recorded my thoughts to the guiding questions in the appropriate column
	Checked this Quest off on my 21t4s roadmap
