

## **Frisco Bible Church Missionary Prayer Requests July/August**

### **GLOBAL MISSIONS**

#### **Tiago and Amy Braganholo - Word of Life in Philadelphia**

Pray for Tiago as he is doing a series of speaking engagements this summer.

#### **Jean and Jean-Marie Joseph - MissionGo in Haiti**

Please pray for the safety of the Josephs and for them to be strengthened and encouraged as they work in the chaos of Haiti. Please pray for spiritual revival, peace, and stability in Haiti.

#### **Will and Julie White - MAF in Idaho**

The Whites are praying for more people to join MAF as there's a growing need for workers and support in all areas of the mission. Specifically, they are looking to schedule 20 families this year for candidacy in 2026. It's a goal the Mobilization team prayed about and is trusting God to accomplish. Another item of prayer is the support level for Will and Julie. MAF is increasing their monthly support level by \$800 per month. This will require Will to schedule in several deputation trips into an already busy year.

#### **Michael Kyomya - Hesed Ministries**

Hessed has provided the following prayer requests

- I. Pray with Bishop Kyomya that the Lord will lead him and use him as he works on his second book.
- II. Pray also for the community of Buleero. We truly thank God for using us in building the foundation of four classroom blocks, but we still have a long way to go. Pray with us that the Lord may continue to provide in this community endeavor.
- III. Mervyn has recovered well from the accident that he was involved in. We thank the Lord for protecting Mervyn even in that situation. However, Mervyn came down with malaria and a separate viral infection that he has been on medication to treat both infections. Pray with us for the healing hand of the Lord and a full recovery

#### **Dr. Falek Sher - Hunook Ministries**

Hunnok Ministries is in the process of opening another Bible college in Lahore, Pakistan. Please pray for the success of this new opportunity.

#### **Lonney Moore - Hope Partners Costa Rica**

Lonney's mother passed away in March. Please keep the family in your prayers. Due to increases in expenses and supporters dropping off, Hope Partners is requesting prayer to receive an additional \$1,000 a month to meet their operating needs.

## **LOCAL MISSIONS**

### **AWANA**

Please be in prayer for the Bell family as Steve is taking a leave of absence due to health issues.

### **Beehive Nursing Home Ministry**

We're thankful for the residents' continued interest in the worship services at Beehive. It is a joy to see how the residents are blessed by the ministry that we are able to provide. Please continue to pray that more of our Frisco Bible church family would join us for these services. Also pray for the residents' physical and mental health as well as their spiritual development. Specifically pray for the staff and administrators at Bee Hive; pray for a resident, Kathy, that she can continue to be a great mediator for us and the residents; and for Carol Anne from building S who recently had a bad fall and is now wheel chair bound.

### **Children's Hunger Fund**

Because of the Summer Lunch program we have added three new families to our program. Pray for this ministry as we grow. Continue to pray that additional Spanish speaking volunteers will join the team to help bridge the communication gap as the majority of families only speak Spanish and currently our volunteers only speak English. Another ongoing prayer request is that there be meaningful encounters with families so that drivers can share the gospel with them. Specifically pray for a new family we are delivering to: the family is Indian but not entirely into Hindu beliefs and the teenage daughter is searching for what her faith is. We are praying that she comes to know the Lord.

### **Cornerstone**

The ministry is continuously working on construction projects to provide housing to vulnerable inner-city residents as well as food, showers, and clothing. Please pray for resources and labor to be available to Cornerstone Baptist as they work to meet the needs of the community. We are thankful that Dick Countryman has been able to join us again but we pray that he doesn't overdo it after his knee surgery.

### **ESL Conversations**

The main prayer request of this ministry is that more people be drawn to the class and that the class will be used to show the love of Christ while the participants are practicing and improving their English. Please pray that ideas be provided for new ways to find more students. Also, be in prayer that the Lord provide new class material and subjects that are relevant to the students.

International Host Connection

Please pray for financial support and partnerships for IHC. Also, continue to pray that the Lord use IHC to bring the Gospel to orphans.

### **Laundry Love**

Our prayer is that the Gospel seeds that we are sowing would come to fruition in God's time. We continue to pray for the salvation of many that we encounter each month. Also pray that the Lord continues to bless the work of the leaders' hands. We pray that hearts be softened to the Gospel and that the Spirit would move people to believe and receive Jesus. We pray for the team to have good connections and working relationships during events. We ask for prayer that the servant-leaders of the team would be bold and have confidence in the Lord as they serve Him faithfully. Also pray for more helpers, and especially more Spanish speaking helpers, to come to the events. Prayer is also needed that workers continue to show up month after month even after experiencing busy and slow event days. Specifically pray for Carolyn: that the Lord will provide her a job and that she will continue to come to Frisco Bible and seek the community that she needs.

### **LifeTalk**

LifeTalk has provided the following prayer requests:

- We have seen an increase in miscarriage clients over the past couple of months. Please pray for all of our parents who are experiencing loss through miscarriage.
- Please pray as we go through a season of transition with new employees coming on board.
- Prayers that we are serving our clients in a manner that spreads God's word.

### **Sojourner**

John and Terry Kanter have asked that we please pray for:

- God to bless the weekly Bible studies I lead over Zoom and in person at our 55+ community.
- That God would continue to strengthen the relationships we're making with the Jewish residents and others in our community and provide openness to Gospel conversations. Specifically for one Jewish couple in particular who seems open to the Gospel message.
- For the situation in the Middle East, specifically for the nation of Israel.
- For dental work that Terry needs over the next few months.

**Thank you for praying for our Supported Missionaries & Ministries!**

**Psalm 67:7 "May God bless us still, so that all the ends of the earth will fear him."**
