HERRON BOOSTS FOR NAVY.

Oshkosh Boy is Given Special Privilege After Only Short Period of Service.

Robert Herron, son of Mr. and Mrs. LeRoy Herron of this city, is one of the Oshkosh boys who is making good in the United States navy. He was ordered to the naval training station at Norfolk, Va., on May 20 and is now drill master and second in command of his company.

The Oshkosh young man had the honor last week of being detailed as orderly to Secretary of War Baker, on board the president's yacht, Mayflower. He is a booster for the naval branch of the service, and in letters home he suggests that "if anyone wants to get into this scrap, see something, and be treated well he should join the navy."

Robert Herron, son of Mr. and Mrs. L. R. Herron, 619 Jackson street, has enlisted in the navy. He leaves next Saturday for the Great Lakes training station. It is expected he will be in active service inside of six months.
