

PJAHS Publication Disclosure Form

This form describes the PJAHS Publishing Agreement. Once your manuscript has been accepted for publication, all authors of the said accepted manuscript must fill in and sign this form. Please send a digital copy of this form to pjahs@ust.edu.ph within 14 days upon receipt of the acceptance decision. Your manuscript can only be published once PJAHS has received this completed and signed form.

Manuscripts for PJAHS are considered with the understanding that these have not been previously published in print or electronic format, and/or not under consideration by another publication entity.

The manuscript entitled

(type title of the manuscript here)

authored by

(type full names of the authors here)

has been accepted for publication by PJAHS. A signed copy of this form must be on file with PJAHS before the manuscript can be published.

Manuscript No.:

Corresponding Author:

Publication Agreement:

All authors indicated in the manuscript must sign this agreement. One author designated as the correspondent must indicate his/her name, title of the manuscript, manuscript number, correspondent's institutional address, email address and telephone and fax numbers must be indicated in this form. This agreement is made between the corresponding author and PJAHS (Rm. 124 St. Marti de Porres Bldg, university of Santo Tomas, Espana, Sampaloc, Manila, Philippines 1015).

- I. I am authorised by my co-authors to enter into these arrangements.
- II. I warrant, on behalf of myself and co-authors on the following:
 - a. The article is original and has not been formally published in any form by other peer-reviewed journals and does not infringe any existing copyright or any other third-party rights;
 - b. I am/ we are the sole authors of the article and have the full authority to enter into this agreement and in granting rights to PJAHS are not in breach of any other obligation/s. if the law requires that the article be published in the public domain, I/we will notify PJAHS at the time of submission which clauses "c" through "e" inclusive do not apply;

- c. The article contains nothing that is unlawful, libellous, or which would, if published, constitute a breach of contract or of commitment given to secrecy;
 - d. I/we have taken due care to ensure integrity of the article. To my/our – and currently accepted scientific – knowledge, all statements contained in it purporting to be facts are true and formula or instruction contained in the article will not, if followed accurately, cause any injury, illness, or damage to the user.
- III. I/we retain copyright.
 - IV. I/we grant to any third party, in advance and in perpetuity, the right to use, reproduce or disseminate the articles in its entirety or in part, in any format or medium under a Creative Commons Attribution License (cc-by 4.0 <http://creativecommons.org/licenses/by/4.0>) provided that no errors are introduced in the process, that PJAHS is dully identified as the original publication, that proper attribution of authorship and correct citation details are given (including the URL to the original article on the PJAHS website), that a clear notice clarifying the license terms is provided (i.e. a disclaimer stating that the article can be freely shared under a Creative Commons Attribution License), that the bibliographic details are not changed, and, if the work is reproduced or disseminated only in parts, this fact is clearly and unequivocally indicated.
 - V. I/we grant to PJAHS (its successor and assigns) an irrevocable world-wide license for the full-term copyright in the article to publish it in any format or medium and identify itself as the sole original publisher and PJAHS as the original publication in which the article first appeared.
 - VI. In the event that the article is not published, these terms and conditions shall cease to apply and neither I/we nor PKAHS shall have further obligations toward the other in respect of the article of these terms and conditions, except for potentially outstanding obligations.

Signature(s):

Signature of Corresponding Author

Letter of Responsibility

All authors must sign this statement:

I/we have participated in the conception and design of this work and in the writing of the manuscript and take public accountability and responsibility for it. I/we have reviewed the final version of the manuscript and approve it for publication. I/we attest to the validity and legitimacy of the data reported in the manuscript and agree to be named as author/s of the manuscript.

Co-Authors Name (in print)	Signature

Disclosure of Funding and Competing Interests

A description of sources of funding , financial disclosure and the role of the sponsors must be included in the Disclosure Statement and and/or Acknowledgement section/s of the manuscript. This description should include:

- The involvement , if any, in review and approval of the manuscript of publication; and/or
- Role of the sponsors.

In addition, authors must disclose in a Conflicts of Interest section of they have personal financial interests related to the subject matters discussed in the manuscript (if there are no conflicts, the author/s must declare a “none declared” statement). It is not unusual for PJAHS that authors are, for example, owners or employees of the institutions and/or companies that markets the services describes in their manuscripts. There is nothing wrong with this; but editors and readers must know about the nature of this, thus these facts must be disclosed explicitly.

I/we certify that financial and material supports for this research and work are completely disclosed in the closure Statement and and/or Acknowledgement section/s of the manuscript.

I/we warrant that I/we have no further financial interests in the drugs, devices, software, computer programs, companies, service providers or procedures described in the enclosed manuscript, except as those disclosed in the Conflict of Interest section of the manuscript. The Conflict of Interest section also contains all my/our affiliations with or financial involvement (i.e. employment, consultancies, honoraria, stock ownership or options, expert testimony, grants or patents received or pending royalties) with any organization/institution or entity with a financial interest in or in financial competition with the subject matter or materials discussed in the manuscript.

If any of the co-authors has encircle “y,” it is the responsibility of the corresponding author to ensure that appropriate language to disclose the COI is added (if it has not yet been added) in the final manuscript version (i.e. during copyediting or in proofs), and the responsibility of the co-author to check the final version to ensure that the COI is accurately and completely disclosed.

Thank you for choosing to publish with PJAHS.
