

Privacy Policy

Application: AI Image Maker: Aivelo Studio (mobile application and related services)

Service Provider: Christopher Evans

This Privacy Policy explains how the Service Provider collects, processes, and protects your personal information in connection with your use of the Application.

Cookies and tracking technologies

The Application or its third-party SDKs may use cookies, SDKs, pixels, and similar technologies to support functionality, analytics, or service delivery. Where required by applicable law, the Service Provider will obtain consent before using non-essential tracking technologies.

Your Rights

You have the right to access, correct, or delete personal data that the Service Provider holds about you. To exercise any of these rights, or to withdraw consent to data processing based on consent, contact the Service Provider at adgodcopyvpgltdom@outlook.com.

Your California privacy rights (CCPA/CPRA)

California residents have specific rights under the California Consumer Privacy Act (CCPA) and the California Privacy Rights Act (CPRA), including the right to know what personal information is collected about them, the right to delete that information, the right to opt out of its sale or sharing, and the right not to be discriminated against for exercising these rights.

To exercise any CCPA/CPRA right, contact the Service Provider at adgodcopyvpgltdom@outlook.com.

The Service Provider may contact you with important notices and marketing communications where permitted by law. Certain Application features may require you to provide personal information, which will be handled as described in this Policy.

Artificial Intelligence

AI features in the Application:

- Personalised content and recommendations
- Automated functionalities
- AI-generated responses or outputs

Data processing:

- AI systems may process your inputs and usage data
- All processing is in accordance with this Privacy Policy

- Applicable data protection law is complied with

Questions about AI data processing: adgodcopyvpgltdom@outlook.com

International Data Transfers

The Service Provider or its third-party service providers may transfer personal data to countries outside your country of residence, including outside the European Economic Area (EEA). Where applicable law requires safeguards for international transfers, the Service Provider will use appropriate mechanisms:

- Standard Contractual Clauses (SCCs) approved by the European Commission
- Adequacy decisions or other legally recognized transfer mechanisms
- Your consent, where required and legally permitted

Data protection laws in other countries may differ from those in your jurisdiction. Where required by law, the Service Provider will apply appropriate safeguards and obtain any consent required for the transfer.

The Service Provider may disclose User Provided and Automatically Collected Information:

- As required by law, such as to comply with a subpoena or similar legal process
- When they believe in good faith that disclosure is necessary to protect their rights, protect your safety or the safety of others, investigate fraud, or respond to a government request
- With their trusted service providers who work on their behalf, do not have an independent use of the information, and have agreed to adhere to the rules set forth in this privacy statement

Opt-Out Rights

To stop the Application from collecting data from your device, you can uninstall it using the standard uninstall process for your device. Note that uninstalling the Application does not automatically delete data already transmitted to the Service Provider or third parties.

To request deletion of your data or to exercise any other rights under this Privacy Policy, contact adgodcopyvpgltdom@outlook.com.

Changes

This Policy may be updated at any time. Check the effective date for the latest version. Material changes will be notified in advance. Prior versions available at adgodcopyvpgltdom@outlook.com.

Effective: 2026-08-22.

Third Party Access

The Service Provider may share data with third parties in the ways described in this Privacy Policy. Where data is shared for analytics or service improvement, it is transmitted in aggregated, anonymised form that cannot be used to identify individual users.

Data Retention Policy

Retention periods:

User Provided Data:

- Duration of use + 12 months (unless law requires longer)

Automatically Collected Data:

- Up to 24 months (unless law requires longer)

Aggregated/Anonymised Data:

- Indefinitely (no individual identification possible)

Legally Required Data:

- As required by applicable law

Deletion requests: contact adgodcopyvpgltdom@outlook.com. Legal obligations and functional requirements may affect what can be deleted.

Your Consent

Giving consent:

- Consent is given through a clear, affirmative action (e.g. opting in to a feature)
- No consent is inferred from silence or inaction

Withdrawing consent:

- You may withdraw consent at any time
- Contact adgodcopyvpgltdom@outlook.com to withdraw
- Withdrawal does not affect prior processing

Security

The Service Provider puts security measures in place to protect your information. These include physical safeguards, technical controls, and internal procedures designed to prevent unauthorised access to or misuse of the data the Service Provider holds.

Children

AI Image Maker: Aivelo Studio is designed for users aged 16 and over, or the applicable age of digital consent in your country if that is higher.

The Service Provider does not intentionally collect personal information from children and does not target them with marketing.

If you are a parent or guardian and think your child has shared personal information through the Application, please contact adgodcopnyvpgltdom@outlook.com and the Service Provider will delete it. Children under 16 should have a parent or guardian agree to these terms and the Privacy Policy on their behalf.

Information Collection and Use

Upon downloading and using the Application, the Service Provider collects data including your device IP address, pages visited with timestamps, session duration, and mobile OS type. This information is used to maintain and improve the Application's functionality and performance.

Data Breach Notification

In the event of a data breach:

The Service Provider will:

- Notify you as required by applicable law
- Notify relevant authorities within required timeframes
- Provide information about:
 - The nature of the breach
 - Data affected
 - Steps taken to address it
 - Available remedies
