

Manufacturing Career Tour

Tuesday, April 30, 2024

Caterpillar Paving Products

&

Anoka Technical College

***Do you like working with your hands? Are you mechanically inclined?
Check out the world of manufacturing!***

Cat Paving is part of Caterpillar, one of the top recognized brands in the world. Their Minneapolis facility is one of six worldwide that work together to build Cat® paving products: asphalt pavers, road reclaimers, cold planers, and compactors.

Anoka Technical College offers multiple options in education for those interested in manufacturing from welding, machine technology and more!

Come take a tour of Caterpillar Paving and the manufacturing programs at Anoka Technical College. Students will have the opportunity to try some welding simulators and torque tools while learning about the manufacturing industry.

Schedule for Tuesday, April 30, 2024

7:50 am - Arrive at STEP and check in with Career and College Specialists

8:00 am - Bus departs STEP

8:30 am - Explore Caterpillar Paving Products - ***dress code requirements - see next page***

11:30 am - Bus departs Caterpillar

12:00 - 12:35 pm - **Bring money for lunch** at McDonalds or bring your own lunch

12:30 pm - Tour of Anoka Technical College Manufacturing Programs

1:55 pm - Return to home high school via shuttle or you can drive yourself

Turning in this permission slip does not guarantee you a spot on the trip.

Space is limited, priority will be given in this order:

**Seniors with demonstrated interest, undecided seniors, juniors, sophomores
and then freshmen.**

Both permission slips are due by Friday, April 19th.

DRESS CODE

- No shorts, full length pants must be worn (not even dress pant capris for ladies would be permissible)
- No cut off shirts – sleeves required
- No competitor branded clothing (John Deere for example)
- Gauges must be plugged
- No jewelry or loose items – this includes rings, earrings, necklaces, layers of clothing/bulky clothing
- Steel toed boots required – please bring your own if you have them. Otherwise you will be provided steel toed boots from Caterpillar to use while there so you must wear socks if you plan to wear Caterpillar steel toed boots.
- You will be fitted with the following PPE:
 - Hard hat
 - Safety glasses
 - Safety vest
 - Ear plugs/headsets for hearing the tour
 - Steel toed boots

Please make sure you are ready for this day. If you do not follow these instructions you will not be allowed to participate in the exciting activities planned.
