

Dear Parent or Guardian,

From October 13, 14, and 16, 2025, our school will be conducting Student-Led Conferences (SLCs). The purpose of these conferences is for students to reflect to their family on their effort and work in their classes, and evaluate their progress so far this semester in order to work as a team to establish a plan for time management, task organization, and success.

Using the sign-up link listed next to the teacher assigned to your student according to [THIS LIST](#), by **Friday, October 3**, we would like you to select the time slot that works best for you. Please expect the entire process to take approximately 45 minutes - 10-15 minutes for your student to present work from and to discuss progress in their classes, followed by an approximate 30-minute discussion about possible paths to the proper time and task management necessary for a successful junior year of high school.

Thank you and we look forward to seeing you at the conference.

If you have any questions, please do not hesitate to contact the Point Teacher in charge of your child's signup, according to the list linked above:

- Tangier Clarke: tclarke@davincischools.org
- Steven Covelman: scovelman@davincischools.org
- Lolita Go: lgo@davincischools.org
- Ash Hapner: ahapner@davincischools.org
- Donald Puathasnanon: dpuathasnanon@davincischools.org
- Adam Watson: awatson@davincischools.org

Please sign up **no later than Friday, October 3**.

IMPORTANT NOTE: Student-Led Conferences are designed to be facilitated by students, therefore conferences will not be led by individual teachers.

Thank you and we look forward to seeing you at the conference.
