

# D&D Campaign

My dearest Aletta,

My goddess, my shining star  
Unmatched in beauty, in strength, in might, in heart  
Loved by many, yet still remained close to me  
Absolutely gorgeous in every way and never heartless for me  
As I try and make this the best birthday possible,  
I wish to tell you that you are my true love  
No other woman has ever been this prominent besides my own mother

The haters be hating on you but they are just jealous  
Jealous of what you have, what we have  
They hate because they mad that they won't even come close to you  
You got the money, the body, the soul, the spirit, and the might of a trillion women

Have an amazing day babe  
Let this day be about you  
No one else matters today  
Not the media  
Not your employer  
Not your friends  
Not me  
Just you, only you  
Do what you want and let nothing stand in your way from perfect enjoyment  
Have a spectacular, wonderful, grand, great, vivid, fun, perfect birthday  
My beautiful Aletta
