Shooter**

Representative Ch33mazrer
Chair of the House Rules Committee
Vice Chair of the House Government Oversight and Interior Committee

FOR IMMEDIATE RELEASE

10/16/21

Hello Everyone,

It was recently reported that authorities in the Los Angeles area have captured a suspect in the series of subway shootings in the Los Angeles area. While the investigation is far from over, and much more information must be gathered before any conclusions of any kind can be made, it is good to see that the likely perpetrator of these evil crimes has been brought to justice.

I would like to commend the local law enforcement officers for their incredible work in all facets of this investigation. From speedily capturing the suspect with a very limited set of information and not much physical evidence, to maintaining the peace in the Los Angeles area, to consistently updating the public on the status of the investigation, the law enforcement involved in this series of events deserve our praise and respect.

Next, I want to address the families of the victims. Although your lives will never be the same, know that all of America continues to mourn with you. Although a hole has been punched in each of your hearts that cannot be filled, I hope that the knowledge that we are all in your corner can bring some solace to an unimaginably difficult time. I also hope that the

capturing of the suspect responsible can begin to bring some closure to these horrific events, and begin to allow you to carry on, even though life will never be like it was before. Our nation mourns with you, prays with you, and stands beside you during this tragic time.

Finally, I would like to once again condemn, in the strongest possible terms, the perpetrator of these heinous acts. The English language falls short in many ways, and its failure to provide a way to accurately and fully describe the atrocity of what you have done is one of them. Yet, I will attempt to do so anyways. You have, singlehandedly, destroyed the lives and hearts of hundreds of people, whether immediate family, extended family, or friends. These people will never be whole again. You have taken someone precious from each and every one of them. You have taken an irreplaceable member of their lives, a one-of-a-kind individual who cannot ever be replaced. My only hope for you is that you can, one day, see what you have done for what it is, unjustifiable, and to repent.

I would like to, one final time, extend my sympathies to the families and friends of the deceased. My heart is with you during this difficult time.

Best Regards,

Rep. Ch33mazrer(R-US)
