

FRIDA KAHLO: MEXICAN ICON

Give two examples of how Kahlo show us who she is?

Describe a symbol/object Kahlo uses to reflect her *Mexicanidad*.

Frida represented her life through her artwork. Which artwork spoke loudest to you and why?

Answer one of these three questions.

1. Is she showing us who she really is or is she presenting a particular version of herself? Explain.
2. What has Kahlo changed or emphasized about herself?
3. What is Kahlo sharing with the viewer? What might remain private?
