

Period 2:

Continue working on your documentary outline, research and interview contacts:

- Each group member should find ONE MORE source to read and annotate. Add a minimum of THREE ANNOTATIONS to your research outline.

Make sure you have invited all group members to your research outline as well as mrmayo (cap10media@gmail.com)

Also, make sure each group member is **color coding** their annotations.

- At the bottom of your Research Outline begin listing possible people you could interview for your documentary. Should have a minimum of THREE possible interview contacts.

IF you send out requests for interviews please BCC mrmayo on the email:
cap10media@gmail.com

- On Wednesday you will be graded for your research outline, annotations and interview contacts. PLEASE use class time wisely today!

Period 5 & 6: Advanced Media Production Class. This class records the daily school TV show.

Mr. Nance will be in here for these two classes to help. Also, two students, Luc and Karuna, help with the class. Please monitor students as they work.
