What you'll need . . .

- 2 cups semi-sweet chocolate chips
- 3/4 cup almond milk
- 1/4 cup vodka (*espresso flavor, specifically*)
- 3 to 4 tablespoons flax meal
- 1 cup coarsely crushed graham crackers (*optional, but fun*)

Method . . .

1. Line an 8 x 8 inch pan with tinfoil. Set aside.
2. In a small saucepan over the lowest possible, heat, combine the chocolate chips, almond milk, and vodka.
3. Stir until everything is uniformly melted. Stir in the flax meal.
4. Take off the heat for a couple minutes. Then stir in the crushed grahams.
5. Pour into pan and refrigerate until firm-ish. Cut into square or just eat out of the dish.
However the mood strikes you.
