The study of aphasia can give us insight into the way our brains process language.

## Week 10

**1** Stella Young was a comedian and journalist who happened to go about her day in a wheelchair. In this funny talk, Stella Young, who had a **low-key upbringing** in a small town, reflects on her life experiences, particularly after being **nominated** for a community achievement award at the age of 15.

Stella Young byla komička, která byla upoutána na vozík. V tomto vtipném vystoupení se Stella Young, která vyrůstala na maloměstě, reflektuje své životní zkušenosti, hlavně z období 15 let, kdy byla nominována na vyznamenání za veřejné zásluhy.

**2** Growing up, she engaged in normal activities but found herself **objectified** as an inspiration solely due to her disability.

Když vyrůstala, účastnila se obyčejných aktivit, ale měla pocit, že je inspirací jen kvůli svému postižení.

3 She criticizes the **propagation** of what she terms "inspirational porn," images that **exceptionalize** disabled individuals for the benefit of non-disabled people. Ona kritizuje propagaci něčeho, čemu říká inspirativní porno, obrázky, které vyjímají postižené osoby pro ve prospěch intaktních lidí.

4 Embracing **the social model of disability**, she emphasizes that societal attitudes and barriers pose greater challenges than the actual impairments.

- Přijmutím sociálního modelu postižení zdůrazňuje, že společenský postoj a překážky představují větší výzvy, než samotné postižení.

5 The speaker challenges the **notion** that disability makes someone exceptional, **advocating** for a world where disability is normalized, achievements are valued **genuinely**, and low expectations for disabled individuals are overcome.

Řečník vyvrací představu, že postižení je něco výjimečného a usiluje o to, aby bylo normalizováno, úspěchy jsou opravdu oceňovány a aby lidé neměli nízké požadavky na postižené osoby.

- a. A theoretical framework that suggests societal barriers and attitudes contribute more to disability than the impairments themselves.

Social model of disability

- b. To treat someone or something as exceptional or extraordinary.

**exceptionalize**

c. Refers to the way someone is raised, their childhood and early life experiences. - **upbringing**

d. It means simple, not elaborate or showy.

**low-key**

e. Propose or suggest someone for a position, award, or honor.

**nominated**

f. The spreading or promotion of an idea, belief, etc., widely.

**propagation**

g. In a sincere and authentic manner, truly and honestly. When someone acts genuinely, they are being real and not pretending. - **genuinely**

h. A general understanding or idea; a belief or opinion. It often refers to a concept or thought that may not be fully developed or proven.

**notion**

i. To publicly support or recommend a particular cause, policy, or idea.  
advocating

j. Not to see someone's complexity and humanity, but to focus solely on external aspects.
