General Conditions:-

The Discipline of Marine Biotechnology and Ecology of CSIR-CSMCRI, Bhavnagar is actively engaged in multidisciplinary research in frontier areas of modern biology and biotechnology such as stress genomics, proteomics & metabolomics, transgenics, bioprospection, marine biotechnology, adaptation biology, etc. We are looking for young, talented & motivated persons (M.Sc. in Plant Molecular Biology / Biotechnology / Biochemistry) for various ongoing projects.

The interested candidates meeting above qualifications may send their application in the prescribed format only by e-mail (marine@csmcri.org) in advance. Candidates should bring a copy of the application and one set of all certificates alongwith originals at the time of Walk-in-Interview. The Walk-in-Interview will be held on **5.9.2013 (9.30 a.m.)** at CSIR-Central Salt & Marine Chemicals Research Institute, Bhavnagar, Gujarat. The selected / suitable candidates will be allowed for Ph.D. enrollment; JRFs will have the possibilities of Ph.D. enrollment in the prestigious AcSIR of CSIR. Specific queries if any, may be addressed to marine@csmcri.org.

The posts are purely temporary for duration of sponsored project/scheme only. It would, therefore, not confer any right/claim implicit or explicit for any candidates for claiming extension or absorption in CSMCRI/CSIR.

No traveling or any other allowances will be paid for attending the interview.
