[Verse 1]

I walked through the door with you, the air was cold
But something 'bout it felt like home somehow.
And I kept your photos there, in my google drive,
And I still got it on my phone, even now.

[Verse 2]

Oh, your sweet disposition and my wide-eyed gaze
We're singing in the yard, or going on our first date.
Autumn leaves falling down like pieces into place
And I can picture it after all these days

[Pre-Chorus]

And I know it's long gone and
That magic's not here no more
And I might be okay, but I'm not fine at all
Oh, oh, oh

[Chorus]

'Cause there we are again on that little town street
You almost ran the red 'cause you were lookin' over at me
Wind in my hair, I was there
I remember it all too well

[Verse 3]

Photo album on the counter, your cheeks were turning red
You used to be a little kid with glasses in a twin-sized bed
And you're telling me your stories 'bout you on the martial arts team
You told me 'bout your past, thinking your future was me
Though I was tossing you my heart's keys.
You never caught up with me.
Threw them on the ground, you were always skipping town
And I was thinking on the flight down, any time now
She's gonna say it's love, you never called it what it was.

'Til we were dead and gone and buried

Check the pulse and come back swearing it's the same

After two years in the grave

And then you wondered where it went to as I reached for you

But all I felt was shame and you held my lifeless frame

[Pre-Chorus]

And I know it's long gone and

There was nothing else I could do

And I forget about you long enough

To forget why I needed to

[Chorus]

'Cause there we are again in the middle of the night

We're dancing 'round the kitchen in the refrigerator light

Down the stairs, I was there

I remember it all too well

And there we are again when nobody had to know

You kept me like a secret, but I kept you like an oath

Sacred prayer and we'd swear

To remember it all too well, yeah

[Bridge]

Well, maybe we got lost in translation

Maybe I asked for too much

But maybe this thing was a masterpiece

'Til you fucked it all up

Running scared, I was there

I remember it all too well

And you call me up again just to break me like a promise

So casually cruel in the name of being honest

I'm a crumpled up piece of paper lying here

'Cause I remember it all, all, all

[Verse 4]

They say all's well that ends well, but I'm in a new Hell

Every time you double-cross my mind

You said if we had been closer in age maybe it would have been fine

And that made me want to die

The idea you had of me, who was he?

A never-needy, resilient jewel whose shine reflects on you

Not weeping in a nightclub bathroom

Some lawyer asking me what happened, you

That's what happened, you

You who charmed my dad with self-effacing jokes

Sipping coffee like you're on a late-night show

But then mom watched me watch the front door all night, willing me to come

And I said, "It's supposed to be fun turning twenty-one"

[Verse 5]

Time won't fly, it's like I'm paralyzed by it
I'd like to be my old self again, but I'm still trying to find it
After plaid shirt days and nights when you made me your own
Now I mail back your things and I walk home alone
But you keep my old photos from that very first week
'Cause it reminds you of innocence and you still miss me
(You/I) can't get rid of it
'Cause (you/I) remember it all too well, yeah!

[Chorus]

'Cause there we are again when I loved you so
Back before you lost the one real thing you've ever known
It was rare, I was there
I remember it all too well
Wind in my hair, you were there
You remember it all
Down the stairs, you were there
You remember it all

It was rare, I was there
I remember it all too well

[Verse 6]

And I was never good at telling jokes, but the punch line goes
"I'll get older, but I never forget those days."
From when Kentucky broke my skin and bones
I'm a soldier who's returning half his weight
And did the twin flame bruise paint you blue?
Just between us, did the love affair maim you, too?
'Cause in this city's barren cold
I still remember the first fall of snow
And how it glistened as it fell
I remember it all too well

[Outro]

Just between us, did the love affair maim you all too well?
Just between us, do you remember it all too well?
Just between us, I remember it (Just between us), all too well

Wind in my hair, I was there, I was there
Down the stairs, I was there, I was there
Sacred prayer, I was there, I was there
It was rare, you remember it all... too... well.
