

Proposal Form

1. Project/Research title:		
2. Candidate(s):		
Principle Investigator	E-mail	
Co-Investigator(s)	E-mail	
Researcher(s)	Email	
3. Details of Research Office contact involved in this proposal		
Name	E-mail	Phone number
4. Proposed Start and End date and duration		
<i>Projects should typically last 12 months</i>		
Start Date		
End Date		
5. Details of Proposed Project		
<i>In light of the current social distancing guidelines, all proposals submitted must be able to conduct and complete their research while adhering to government guidance.</i> <i>Please increase the size of the boxes to suit. The word-counts are suggested limits rather than hard-limits but please endeavour to remain within a reasonable margin of these suggested limits.</i> <i>Given the short duration of the projects there is no need to provide a work-plan but please provide some indication of the relative effort for any tasks in your methodology description.</i>		
a) Aim and Objectives of the research (200 words)		
b) How the proposed project fits within the overall vision of the Hub and how it		

supports the development of the Hub's research agenda (200 words)		
c) A statement of the novelty of the proposed research, including some evidence that it is not being addressed elsewhere or within the Hub (200 words)		
d) A description of the methodology to be used (800 words)		
e) A brief track record of the PI and the wider team who will deliver the research. List up to 3 publications which are particularly relevant to the proposed research area (600 words + up to 3 references)		
f) Any evidence of industrial interest or support (200 words)		
g) Expected outputs from the research (200 words)		
6. Resources Required		
a) Directly Allocated		
	FEC	80% FEC
Staff costs		
Estates		
Other		
b) Directly Incurred		
	FEC	80% FEC
Staff costs		
Travel and subsistence		
Consumables		
Other		
c) Indirect Costs		
	FEC	80% FEC
