

Example of Letter of Recommendation

February 10, 2010

To Whom It May Concern:

It is with great pleasure that I recommend Bobby White to become an Eagle Scout. I have had the pleasure of being Bobby's High School Forensics teacher for the past 3 years. Bobby has been one of the better students I have had over the years and it is always a pleasure to see him and to have him tell me I don't know what I am talking about in our mock debates.

Bobby is popular at school with many students. He is always kind to others, likes to help when he can and is trusted with the keys to the school safety patrol closet. He always goes the extra mile, coming in early to clean the desks, then to help the lunchroom lady with anything she needs.

I am always glad to have boys in my classes who are also scouts, and Bobby is no exception. He is an example to all, a natural leader and a hard worker. He has the respect of every teacher, and is a great representative of the Boy Scout program.

I can't think of a better person to become an Eagle Scout and again, I highly recommend Bobby to earn Scouting's highest award.
