Some highlights from the chat

- Clean Grid Initiative - new effort on transmission: curtis@ac-strategies.com
- Recommend everyone listen to [David Roberts podcast re: organized opposition to clean energy projects](#).
- I'd love to join a follow up conversation from this call on how we support existing community groups who can lead implementation and communications.

- Brian Beitner has been a member but is looking to be more active going forward and happy to collaborate and wanted his email shared - Brianmbeitner@gmail.com

Closing from Ning

- Please send greg@onepointfiveclimate.org comments, suggestions - especially people/groups that we should talk to regarding IRA, Infrastructure, CHIPS and other implementation efforts.
