Important Resource Re Exams and Course Culminating Activities

**Students &
Parents/Guardians/Caregivers**

**Exams and Course Culminating
Activities - January 2025**

High School Semester End

In each course, 30% of the final mark comes from evaluations at the end of the course.

These are known as "culminating activities" and can include presentations, assignments, and exams. The final 30% can be made up of more than one evaluation.

Culminating activities allow students to demonstrate achievement of the overall course expectations.

If you receive accommodations, please speak with your Special Education or Classroom teacher to make arrangements.

Exam Writing

- Students are encouraged to begin studying early, and to review with teachers what content may be on the exam.
- Make notes when studying to help retain information.
- Review feedback from assignments, tests and quizzes.
- Before starting an exam, read it through from beginning to end and answer the questions you are confident with first.
- At the end of an exam, take time to read over answers for clarity and completion.

Course Culminating Activities

- Make sure that you know the due dates of course culminating activities, and that you conference with your teachers to ensure you know what is needed for success.
- Assignments can be reviewed and edited by peers prior to submission.
- Refer to the Student Handbook or school website for information on Academic Honesty.

Reporting student vaccine information

Ontario's Immunization of School Pupils Act (ISPA) requires that students attending school be vaccinated against 9 diseases or have a valid exemption.

Parents/legal guardians and students 16 years of age and older are responsible for reporting vaccines directly to Toronto Public Health.

Health care providers **DO NOT** do this for you.

- 1 Visit [Toronto.ca/StudentVaccines](https://toronto.ca/StudentVaccines)
- 2 Verify with student's health card or Ontario Immunization ID#*
- 3 Input name & dates of vaccines received
- 4 Review: Confirmation email to follow

Need help?

Reporting student vaccine records online is fast and easy!

If you need help entering student vaccine information online:
Call 416-338-7600
Email immunization@toronto.ca

*An Ontario Immunization ID# (OIID#) is a 10-digit number given to people without a health card to access ICON. Find it in a letter from TPH or by contacting TPH at 416-338-7600.

[Toronto.ca/StudentVaccines](https://toronto.ca/StudentVaccines) 

IMMUNIZATIONS FOR students born in 2008:

If you received a **notice** from **Toronto Public Health** that your child's Immunization Record is **not up to date**, **please follow the directions on the letter and REPORT THE IMMUNIZATION ONLINE to Toronto Public Health ASAP.**

Students whose Immunization Records are not up to date by April 30th will be SUSPENDED from SCHOOL as ordered by Toronto Public Health.
