Backstory:

- Jordan attended elementary school with Peter and Gwen, but chose a different high school and did not see them until she became Gwen's intern at OSCORP.
- Became close friends with Gwen, Peter, and Delilah, and found out about Peter and Delilah's powers.
- Helped Gwen develop new web and suit tech for Peter and Delilah.
- After Gwen's death, Jordan spiraled in his grief, and blamed Peter for what had happened. Determined to make the world see Peter as the villain she believed he was, she began using the OSCORP labs to develop chemical weapons, and plotted to go after Peter and Delilah.
