Note: After students have learned the 100 Questions using the lesson slideshows at abceng.org/usa, I like to have students take a lot of verbal practice tests using the Practice Test available from the Smithsonian website: <https://americanhistory.si.edu/citizenship/test>. However, the Smithsonian practice test doesn't include any of the questions that have variable answers. In addition to regularly passing the Practice Test, make sure students know the answers to the nine questions above.
