

## Research To UPGrade!

Some recipes you can find here. Ok let first. Show Vanilla Crafting Recipes!

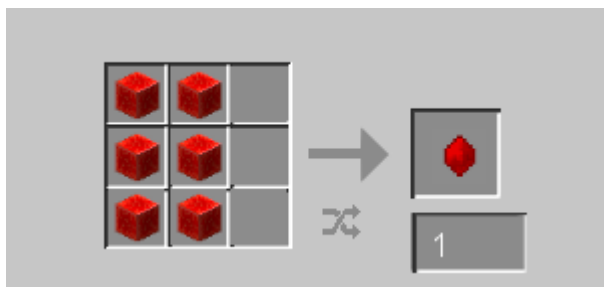

--Stone Drill

.Note-- you can take this item in the new world as fast!  
and this drills digging speed over stone, but under iron.

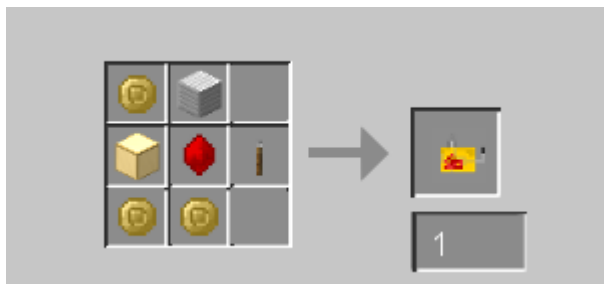

--Compressed redstone (CPDRS)

.Note-- if you have this item in inventory. try a stand in powered redstone. it heal you

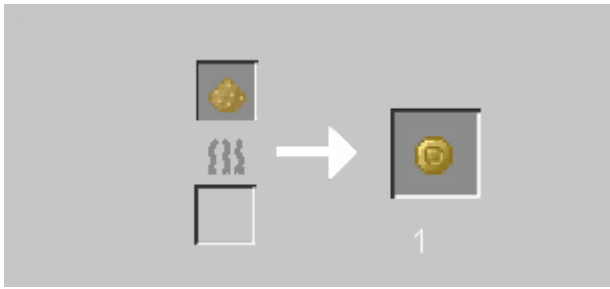

--CPDRS Motor (cpdrsM)

.Note-- [Naming getting confused lol] got it?

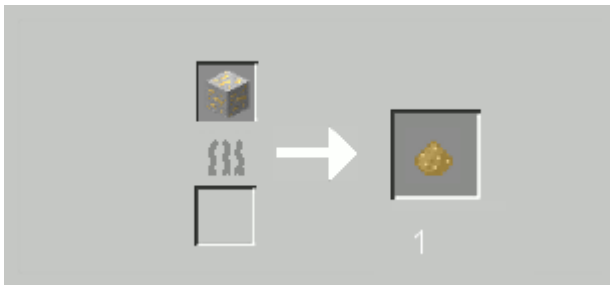

--copper ingot

.Note-- you can found ore in position Y under 40

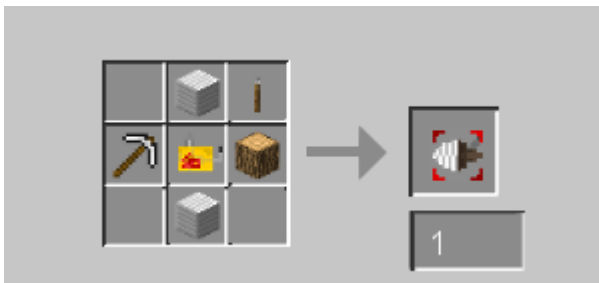

--copper dust

.Note-- if you get ore at silk touch, you can smelt

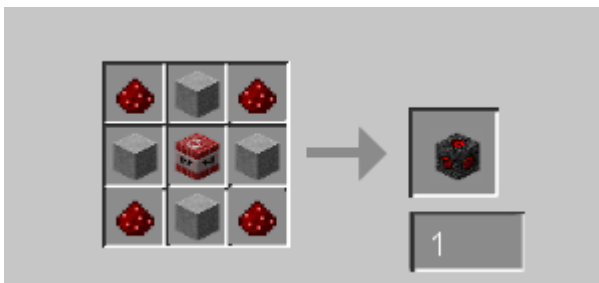

--CPDRSM Drill

.Note-- by right clicking this, you can break any block in 60 ticks (for example, right click a bedrock, it breaks in after 60 ticks. you can make it void!)

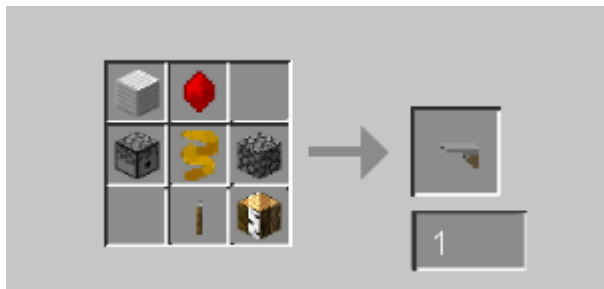

--landmine

.Note-- it auto generated in under Y 25 and can collect with right click or replace that block

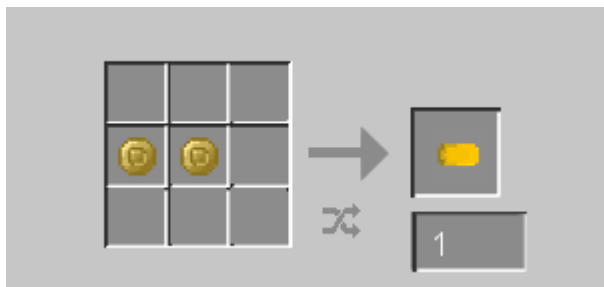

--pistol

.Note-- move with "like" no gravity. that ammo have a gravity like bow & arrow

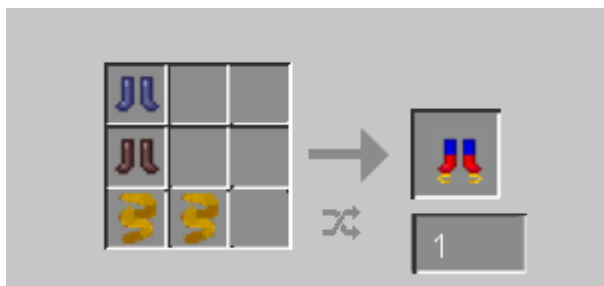

--small ammo

.Note-- only use to pistol currency

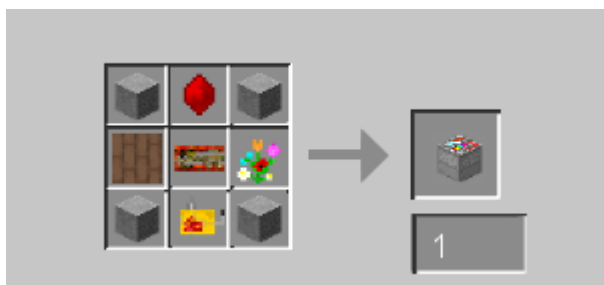

--spring boots

.Note-- redstone and lapis boots can be crafted at a vanilla craft table. if you want to know. use jei

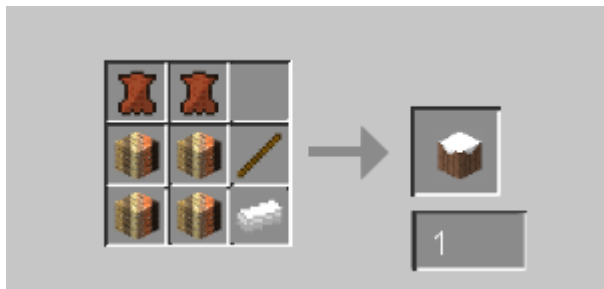

--Instance MK

.Note-- I will get bored chopping trees.

--Research Table

.Note-- Main Blocks. why i don't show up this at first

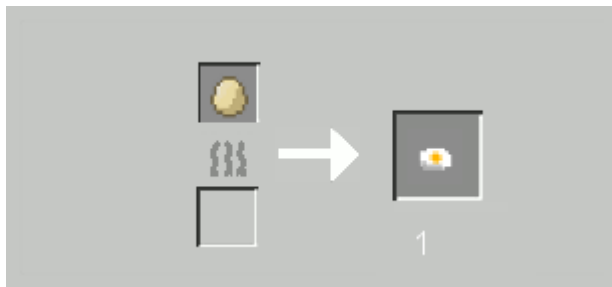

–Armors & Weapons...?

.Note– armors are a lot of recipes. there is obsidian.. lapis... redstone.... so here no screenshot. USE JEI because this mod had Just (so much) Enough Items

–Fired... sorry.

–Fried Egg

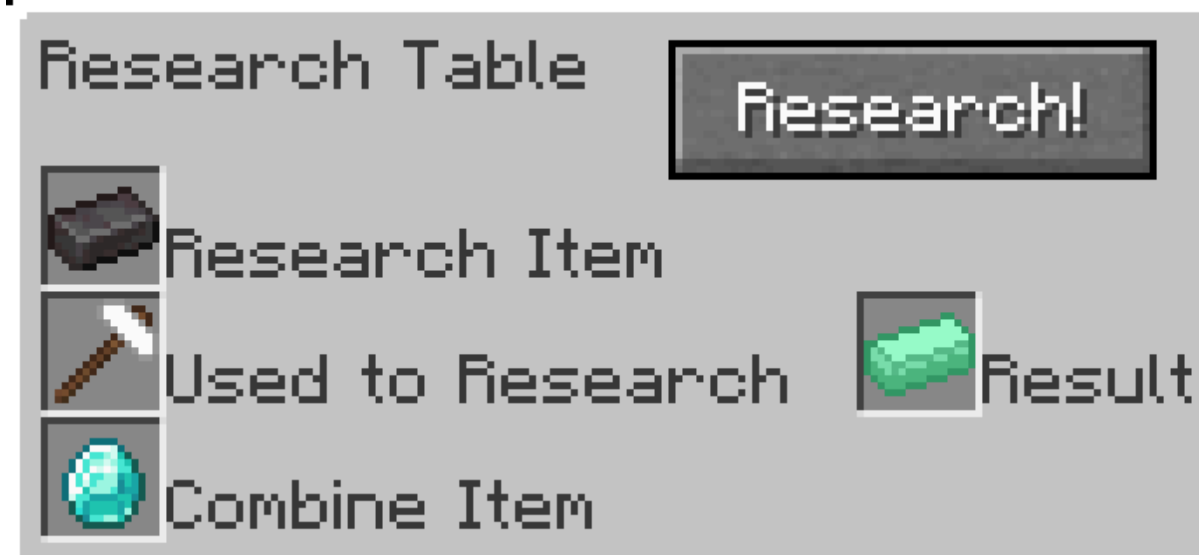

.Note --Egg... Is it already cooked?
