How to commission me: this part is important

Application: link on this document!

- Open for 1 week
- 2 slots open
- i choose which 2 masks to make

This means that submitting an application does **not** guarantee a commission.

Process: 1 to 3 weeks:

After that I start to make the mask, it takes me around **1 to 3 weeks** depending if I'm busy or not (I need to go to school, or maybe I need to make other commissions and stuff...), **i will be sending pictures** of the mask while im working on it to make sure that you are satisfied.

Shipping:

I ship by **Correos**, the prices will vary depending on which country you live in, the weight and the size of the package.

Paying method:

50% of the final commission price is required upfront before I begin making your mask. Once the mask is finished, the remaining 50% + shipping cost must be paid **before I ship the mask**.

The final price will be confirmed with you before any payment is made.

I only use use:

- Paypal

!!Caution!!:

- The bank account that I use is managed by my parents since I'm a minor.
- If you are the age -18, please ask for your tutors/parents permission before buying!
- There might be some small imperfections on the mask, I'm human and we all make mistakes.
