

Russell Sands - Turtle Trading for Profits

No doubt you've heard of the huge profits made by the Turtle Trading System. Created by Richard Dennis, after he cashed in for millions, the system is a collection of simple tactics and rules that, when combined, create magic.

Dennis believed that anyone could trade this system for huge profits, even if they had never before traded. To prove his point, he recruited 24 traders, the original Turtle Traders, and taught them his secrets. The result: these two dozen traders have generated over one billion in profits.

Now, Russell Sands, an original Turtle, hands you one of the most profitable mechanical systems of all time. Inside this course, you'll find the real Turtle rules including:

- Step-by-step instructions to apply these tactics to your trading immediately,
- How small traders can apply the techniques at least as well as big money managers possibly even more profitably,
- Exactly what position size you need to minimize risk and maximize reward,
- Precise entry points to target optimal profit zones,
- Killer exits that prevent you from leaving money behind.

The Turtle System has been proven for years and has made mega-fortunes for its traders. Now you too can have the rules that generated that huge level of success. Russell hands you the secrets, and explains them in the most easy-to-understand terms so you can get this legendary system working for you.
