Heath Hawks Community Athletics (HHCA) provides registration fee scholarships to local athletes, who without this financial assistance would not otherwise be able to participate. Every girl should have the opportunity to play and not be prohibited because of finances. The HHCA Scholarship Assistance program focuses on providing opportunities for our area youth to participate in cheerleading for the physical, mental, and benefits that this program can provide. Scholarship assistance will be dependent upon the HHCA funds available and the actual need shown.

Please be aware that at HHCA our Financial Assistance Funds are limited! Our primary goal is to help as many young girls participate in HHCA that we possibly can. In an effort to help out as many girls in the community as we can and with the knowledge that there are limited funds, we are asking those of you that can afford to participate to do so.

HHCA Cheer offers scholarships in order to help out more families in need this season. Awards of assistance are NOT guaranteed to every applicant.
