

### **Extracurricular Opportunities, Small-Group Discussion, one handout per mini-group**

*There are four questions, but **write down just the answer to the first question – a list of all the clubs/organizations/activities anyone in your group has checked out and a word to describe them.** (No people names, just a list of clubs/organizations/activities.) Turn into a TA so we can collate answers across the class.*

1. What UW clubs, organizations, activities, etc. have you checked out so far? *For each one, describe it in one word (or a couple words if you must).*
2. What did you think?
3. If you haven't checked any/many out, which ones do you plan to check out?
4. If you don't even know what ones you plan to, then what are your thoughts on what you're looking for?

**Combined list of answers to question 1:**
