Debate Competition on the Occasion of Silver Jubilee Celebration of Uttarakhand State by Literary Club

Name of Event/Activity: Debate Competition

Date: 30/10/25

Faculty Coordinator: Dr. Richa Bijalwan

Student Coordinator: Ms. Gauri Panwar, CSE IV Year

About the event: A debate competition was organized at THDC-IHET, Tehri to celebrate the Silver Jubilee of Uttarakhand, marking 25 years of the state's formation. The topic of the debate was "In a hill state like Uttarakhand, will AI-driven development benefit the youth or increase job insecurity?" Students from various departments enthusiastically participated, presenting arguments both for and against the motion. Participants speaking in favor highlighted the potential of Artificial Intelligence in creating new opportunities, promoting digital literacy, and improving accessibility in remote areas. Those opposing emphasized concerns over job loss, skill gaps, and technological dependency. Judges evaluated the participants based on oratory, content, and rebuttal performance. The event concluded with appreciation for the students' efforts and insights, promoting awareness about AI's impact on Uttarakhand's future.
