

EXTENT OF COMPLIANCE

RECOMMENDATIONS	ACTION TAKEN	PERCENTAGE OF ACCOMPLISHMENT
<p>1. The management might consider continuing to acquire Filipiniana collections for additional references for the clientele.</p>	<p>Purchase requests for references written by Filipino authors have already been made; similarly, collections donated by the University of the Philippines have been added to the Filipiniana collection, and books donated by the NCCA to CFCST CCP will be included as well.</p>	<p>80%</p>
<p>2. If budget warrants, an additional professional librarian may be hired to ensure the effectiveness and efficient delivery of services as well as to support the licensed librarians in performing technical task and other functions.</p>	<p>A letter of request was already submitted by the Head Librarian to the Office of the President asking to hire additional librarians.</p>	<p>80%</p>
<p>3. Library holdings of current edition/within the last five years may be purchased to comply with the standards.</p>	<p>Currently, because purchasing books is difficult, the Library management has chosen to subscribe to the Online Platform (ODILO), which provides a variety of titles and collections to assist students with their research and information needs.</p>	<p>100%</p>
<p>4. Continuous acquisition and maintenance of quality, relevant and updated resources in print to support the instructional and research need of the Cotabato Foundation College of Science and</p>	<p>Currently, because purchasing books is difficult, the Library management has chosen to subscribe to the Online Platform (ODILO), which provides a variety of titles and collections to assist students with their research and information needs.</p>	<p>100%</p>

Technology is highly encouraged.		
5. There is a need to expedite the realization of the plan for expansion or construction of a more spacious library to accommodate at least 10% of the total population at a given time.	The second floor of the library building was being rearranged and repaired for improvement.	80%
6. Linkages with other HEIs and other related agencies may be strengthened to update library resources.	Linkages with other institutions and Higher Education Institutions were done through exchange of journal publications.	100%
7. There is a need to continuously update the database of the library system so that it can be fully used by the students and the library personnel	The LMRC is on its processing for the adoption of KOHA LMS and was positively recommended by the D.I and VPAA approved by the President.	80%
