

Honesty, quality and

good old fashion customer service!

VMQG Sew-ins are taking on a new look for 2023 as we take advantage of Dragonfly Quilting and Gifts' new retreat centre, and the owner's generous offer to local quilt guilds.

The Space:

The retreat centre at Dragonfly Quilting and Gifts (17802 66 Ave, Surrey, BC) is about 1100 sq ft. It is equipped with tables and comfortable rolling chairs. Ironing stations, cutting stations and a design wall are all included. It will seat 18 comfortably. The room is available from 9am - 4pm.

The Offer:

Kevin has presented an offer to local quilt guilds. If a local guild books 3 sew-in sessions at Dragonfly and at least 12 members of the guild attend each session, he has offered \$2000 worth of fabric/batting to the guild for use in charity quilts. In addition, sew-in attendees receive 15% off in the store during their sew-in.

Our Response:

VMQG has booked 3 sew-in days (so far) and encourages members to consider attending one (or more) so that we can take advantage of this generous offer. We are expanding our community outreach and will be making quilts for local community agencies.
