

RULES

- respect my boundaries
- i reserve the right to say no. i mean it.
- don't be fucking weird jesus christ.
- friend requests and DMs are off limits especially when i haven't known you for long
- don't start political arguments in my chat. discussions are welcome, but treat people with respect that are due.
(the internet has made y'all way too comfortable not getting punched in the face for spouting insults)
- no trauma dumping. im not a therapist. neither is my chat. if i do a tarot reading for you about a situation though, know that context and discretion is advised.
- no self-promoting on my chat

DO have fun and be a little wild with us all!
