Now it's your turn to do the Can-Do Statement! The purpose of this activity is for you to try doing the Can-Do Statement using what you've learned and prepared in the previous stages and then to reflect on what you still need to work on to do the Can-Do Statement.

#### Can-Do Statement:

##### Part 1: Create

Draw a family tree and include the name of each family member as well as information about each of them. Be sure to include at least four different people, and three to four pieces of information about each person. Then, make a video of your presentation!

##### Part 2: Share
