SEASONAL BABYSITTER PASS

The babysitter pass is designed to help working parents with children who are too young to attend Tecumseh Woods by themselves. For only \$80.00 for Annual Members and \$25 for LIFE Members per season you can purchase a pass for your nonmember babysitter so he/she can bring your children to the pool while you are working. This is a great benefit for those of you paying daily guest fees for your children to have adult supervision.

The seasonal babysitter pass will be issued to each family who applies. The pass is good for the entire swimming season including weekends. The babysitter must bring the pass when he/she brings your children to the pool. Your nonmember babysitter should never use the pass if your children are not present.

In order to ensure your child's overall safety, a few guidelines must be met. Obviously, your babysitter must possess some basic swimming skills. This will be left up to your discretion. If the guards or pool manager see problems in this area or in the area of discipline, you will be contacted so these issues may be corrected. Ideally, the babysitter should be 16 years of age or older so that immediate transportation is available in case of storms or other emergency situations; however, applications will be accepted for babysitters as young as 14 years of age. Your family may list more than one babysitter for the seasonal pass and you may add names to your list as the summer progresses. Your babysitter's name must be on the list before he/she can use the pass. Only one babysitter can use the pass at a time.

If you wish to apply, simply fill out the form and return it to PO Box 7, Piqua, Ohio 45356 with the applicable fee of \$80.00 or \$25.00 (checks payable to Tecumseh Woods Inc.). If you have any questions, contact tecumsehwoods@gmail.com. Abuse of the babysitter pass can result in it being revoked by the Board of Trustees.
