Lexile Guide

K-1	Up to 530
2-3	420- 820
4-5	740- 1010
6-8	925- 1185
9-10	1050- 1335
11- CCR	1185- 1385

*Students need to read texts independently as much as possible throughout each quarter. (RRTC.10- Read and comprehend stories, poems, and informational texts at the high end of the grades 2-3 text complexity band independently and proficiently.)

Module 1: A Season of Change

Focusing Standards:

(T5)KID.1 Read closely to determine what a text says explicitly and to make logical inferences from it; cite specific textual evidence when writing or speaking to support conclusions drawn from the text.

(T5)KID.2 Determine central ideas or themes of a text and analyze their development; summarize the key supporting details and ideas. (Summarize begins in 4th grade)

(T5)CS.5 Analyze the structure of texts, including how specific sentences, paragraphs, and larger portions of a text (e.g., a section, chapter, scene, or stanza) relate to each other and the whole.

(T5)IKI.7 There is not a T3 focusing standard for module 1; however, IKI.7 is addressed anytime you discuss illustrations or text features to gain information. (Studies Weekly and Science Weekly would be good resources.)

(T6)W.TTP.2 Write informative/explanatory texts to examine and convey complex ideas and information clearly and accurately through the effective selection, organization, and analysis of content.

*(T4)FL.SC.6e (adjectives)

*(T4)FL.SC.6i (Produce and expand complete simple and compound sentences) If students struggle with writing complete sentences, they cannot master T5. Depending on your students, you might need to spend additional time on this standard.)

*If you feel additional practice is needed with T6 (grammar skills), consider using a resource such as IXL.
