Main Competence	Specific Competences	Learning Activities	Specific Activities		W e e k	N u m b e r o f P e r i o d s	Teaching and Learning Methods	Teaching and Learning Resources	Assessment Tools	References	Remarks
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Show the direction of different objects using the four and eight main cardinal points of the earth	Draw and show the directions of the four and eight cardinal points of the earth		J A N U A R Y	3	4	Brainstorming, Group discussion, Questions and answer, Real object	Compass directions, models, simple maps and globes	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Show the direction of different objects using the four and eight main cardinal points of the earth	Draw and show the directions of the four and eight cardinal points of the earth		J A N U A R Y	3	4	Brainstorming, Group discussion, Questions and answer, Real object	Compass directions, models, simple maps and globes	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Show the direction of different objects using the four and eight main cardinal points of the earth	Draw and show the directions of the four and eight cardinal points of the earth		J A N U A R Y	4	4	Brainstorming, Group discussion, Questions and answer, Real object	Compass directions, models, simple maps and globes	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.

Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Show the direction of different objects using the four and eight main cardinal points of the earth	Use the four cardinal directions of the earth to show objects, different directions of the school and their community	J A N U A R Y	5	4	Brainstorming, Group discussion, Questions and answer, Real object	Compass directions, models, simple maps and globes	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Show the direction of different objects using the four and eight main cardinal points of the earth	Use the four cardinal directions of the earth to show objects, different directions of the school and their community	F E B R U A R Y	1	4	Brainstorming, Group discussion, Questions and answer, Real object	Compass directions, models, simple maps and globes	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Show the direction of different objects using the four and eight main cardinal points of the earth	Use the four cardinal directions of the earth to show objects, different directions of the school and their community	F E B R U A R Y	2	4	Brainstorming, Group discussion, Questions and answer, Real object	Compass directions, models, simple maps and globes	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Show the direction of different objects using the four and eight main cardinal points of the earth	Use the four cardinal directions of the earth to show objects, different directions of the school and their community	F E B R U A R Y	3	4	Brainstorming, Group discussion, Questions and answer, Real object	Compass directions, models, simple maps and globes	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Show the direction of different objects using the four and eight main cardinal points of the earth	Use the four cardinal directions of the earth to show objects, different directions of the school and their community	F E B R U A R Y	4	4	Brainstorming, Group discussion, Questions and answer, Real object	Compass directions, models, simple maps and globes	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	

Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Explain) the concept map	Explain the meaning of map	M A R C H	1	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple maps and charts containing various map symbols	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Explain) the concept map	Explain the meaning of map	M A R C H	2	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple maps and charts containing various map symbols	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Explain) the concept map	Presenting the characteristics and significance of map	M A R C H	3	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple maps and charts containing various map symbols	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	

MID-TERM EXAMINATION 26-27/3/2025

MID-TERM SHORT HOLIDAY 28/3-8/4/2025

Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Explain) the concept map	Presenting the characteristics and significance of map	A P R I L	2	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple maps and charts containing various map symbols	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
---------------------------------------------------------------------	-----------------------	--------------------------	--------------------------------------------------------	-----------------------	----------	---	--------------------------------------------------------------------	-------------------------------------------------------	------------------------------------	-------------------------------------------------------------------------------------	--

Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Draw a simple map to show the classroom environment	Identify the items in the classroom	A P R I L	3	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple maps and charts containing various map symbols	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Draw a simple map to show the classroom environment	Identify the items in the classroom	A P R I L	4	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple maps and charts containing various map symbols	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Draw a simple map to show the classroom environment	Identify the items in the classroom	M A Y	1	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple maps and charts containing various map symbols	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Draw a simple map to show the classroom environment	Drawing a simple map showing classroom environment	M A Y	2	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple maps and charts containing various map symbols	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Draw a simple map to show the classroom environment	Drawing a simple map showing classroom environment	M A Y	3	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple maps and charts containing various map symbols	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	

Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Drawing maps of the school, ward, district, region and Tanzania	Draw simple maps of the school	M A Y	4	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple school, ward, district, region and Tanzania maps	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Drawing maps of the school, ward, district, region and Tanzania	Draw simple maps of the school	M A Y	5	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple school, ward, district, region and Tanzania maps	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	

TERMINA EXAM 3-5/6/2025

TERMINAL HOLIDAY 6/6-8/7/2025

Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Drawing maps of the school, ward, district, region and Tanzania	Draw simple maps of the ward,	J U L Y	2	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple school, ward, district, region and Tanzania maps	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Drawing maps of the school, ward, district, region and Tanzania	Draw simple maps of the ward	J U L Y	3	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple school, ward, district, region and Tanzania maps	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	

Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Drawing maps of the school, ward, district, region and Tanzania	Draw simple maps of the ward	J U L Y	4	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple school, ward, district, region and Tanzania maps	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Drawing maps of the school, ward, district, region and Tanzania	Draw simple maps of the, district	A U G U S T	1	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple school, ward, district, region and Tanzania maps	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Drawing maps of the school, ward, district, region and Tanzania	Draw simple maps of the district	A U G U S T	2	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple school, ward, district, region and Tanzania maps	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Drawing maps of the school, ward, district, region and Tanzania	Draw simple maps of Tanzania	A U G U S T	3	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple school, ward, district, region and Tanzania maps	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	

SECOND MID-TERM EXAMINATION 25-28/8/2025

SECOND MID-TERM SHORT HOLIDAY 29/8-15/9/2025

Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Drawing maps of the school, ward, district, region and Tanzania	Draw simple maps of Tanzania	S E P T E M B E R	1	4	Brainstorming, Group discussion, Questions and answer, Real object	Simple school, ward, district, region and Tanzania maps	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Use map in determining a location, direction, distance and giving and following instructions	Identifying direction, distance and giving and following instructions	S E P T E M B E R	2	4	Brainstorming, Group discussion, Questions and answer, Real object	Compass direction	Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Use map of Tanzania show administrative boundaries and earth reliefs	Identify administrative boundaries and earth reliefs	O C T O B E R	1	4	Brainstorming, Group discussion, Questions and answer, Real object		Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	
Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Use map of Tanzania show administrative boundaries and earth reliefs	Identify administrative boundaries and earth reliefs	O C T O B E R	2	4	Brainstorming, Group discussion, Questions and answer, Real object		Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.	

Demonstrate mystery of elementary knowledge of map and solar system	Use map in daily life	Use map of Tanzania show administrative boundaries and earth reliefs	Identify administrative boundaries and earth reliefs	O C T O B E R	3	4	Brainstorming, Group discussion, Questions and answer, Real object		Exercise, Quiz, Tests, Group works	TIE (2023), Geography and Environment book for primary schools Standard 4. TIE DSM.
